

HAVE A PAXLOVID PRESCRIPTION?

LOW-COST OPTIONS AVAILABLE

Don't get stuck with a huge bill

If you have been prescribed Paxlovid to treat COVID-19, there are co-pay programs that make the medication available at a low cost or even free this year.

The PAXCESS program provides free or low-cost Paxlovid, whether you have:

- ✓ Public insurance (Medicare, Medicaid);
- ✓ Private insurance; or
- ✓ No insurance at all
